SUMMARY

I am a passionate full stack web developer with a solid foundation in both frontend and backend development. I have completed intensive full-stack training at New Horizons Nigeria, graduated from the HNG internship programme, and currently hold a Remote Frontend Development Internship at Decodelabs. Pursuing a B.Sc. in Information Technology at Redeemer's University, Nigeria, I bring fresh perspectives, quick learning abilities, and unwavering enthusiasm to every project, with a particular interest in creating efficient, user-friendly web applications that solve real-world problems.

EXPERIENCE

- ◆ **Frontend Development Intern, Decodelabs** Jun 2026
Accepted a remote frontend development internship, working with Vue.js, Tailwind CSS and JavaScript on real client projects. Remote
Building practical industry skills alongside experienced professionals and gaining hands-on exposure to production-level frontend development.
- ◆ **HNG Intern, HNG Tech Program** Jan 2024
Participated in the HNG internship program, working on practical projects and gaining hands-on experience in software development. Collaborated with other developers across Africa and applied both frontend and backend skills. Remote
- ◆ **Freelance Frontend Developer, Independent / Client Work** Jan 2023
Built and deployed production websites for clients including a full portfolio site for Umuteme OgheneFego Peace (Operations & Executive Partner). Delivered responsive, accessible sites with animations, sliders, and galleries to client specification.

EDUCATION

- ◆ **Redeemer's University** Jan 2024
B.Sc., Information Technology Ede, Nigeria
Pursuing B.Sc. Information Technology. Focus: programming, algorithms, software development, HCI and system analysis. (300 Level)
- ◆ **New Horizons Nigeria** Jan 2023 — Jan 2024
Full Stack Web Development
Completed comprehensive full stack training covering frontend and backend technologies. Gained practical experience through hands-on projects and industry-standard practices.

◆ **Tindip College** Jan 2019 — Jan 2023

Nigeria

Completed secondary school education with strong academic performance. Developed foundational skills and discovered passion for technology and programming.

SKILLS

HTML	CSS
JavaScript	Vue.js
Tailwind CSS	PHP
Laravel	API Development
MySQL	ReactJs
React Development
